Our mission is to achieve excellence in the provision of behavioral health services that lead to optimal health and well being

PREVENTION IN THE COMMUNITIES

Prevention Specialist, Chelsee Chavez-Barreras started her first week of Riding the Waves at Buchanan Middle School in Wray, on Tuesday. This program includes a six week curriculum to help young students prepare for the ups and downs of adolescents and middle school. This program is being provided to 5th and 6th graders at BMS and the art teacher drew this wonderful piece of art for Chelsee's first day.
