3RD ANNUAL MOTIVATE 4 MENTAL HEALTH A SUCCESS

This year our 3rd Annual Motivate 4 Mental Health event proved to be a great success! We had many adults and youth attend from the community to enjoy the day with us. From Centennial The Journey program sold nutritious goodies from Clarence's Corner to raise funds for their activities. The Health Department had some great information on Pregnancy Related Depression, Tobacco and Man Therapy, while Centennial hosted a clinical booth highlighting some of our offerings, a resources table involving housing materials, an Early Childhood table with a ton of information and fun things for little kids, and a Prevention table with a bunch of information and fun goodies.

Pictured to the left: Some of the prevention and Community Resources teams.

In the afternoon attendees enjoyed the booths, information and games such as ladderball, a giant dart board, 9 square, cornhole, connect 4, bowling and giant jenga as well as a fun photo booth provided by the Prevention team.

For the evening, attendees enjoyed performances starting with some pop cover duets by Caliche students and their instructor, 6 numbers by Durante's dance students, a nice set from the Sterling High School Jazz Choir and then some duet covers by two very talented Northeastern Junior College Students. Everyone was able to listen and watch these great performances all while given the option to eat Burritos and Bowls, Hawaiian Ice or Jerry Dogs.

Pictured to the right: Byron Pelton (Logan County Commissioner) and Jaci Yula (Community Resources Specialist).

Despite the short weather scare and wind that came up fast in the afternoon the day was quite perfect.
