

Centennial Mental Health Center, Inc.
Job Description

Job Title:	Mental Health Professional II - JBBS	Job Class:	Program Delivery
Reports to:	Regional Operations Manager or Regional Operations Director	Grade:	8
Status:	Exempt		

POSITION SUMMARY

Provides direct behavioral health services to incarcerated individuals.

ESSENTIAL DUTIES AND RESPONSIBILITIES

1. Provide ongoing assessment, crisis intervention, individual and group therapy to offenders.
2. Develop and monitor service plans, monitor treatment progress, document interactions and maintain clinical records and other reporting data for offenders.
3. Possess investigative skills and ability to process detailed information to assess risk and needs of offenders.
4. Facilitate and provide evidence-based offender treatment modalities.
5. Possess thorough knowledge of individual and group counseling techniques, group facilitation skills, skills in co-occurring and substance use disorder diagnosis and treatment.
6. Establish and maintain documentation concerning services provided to the inmates, consistent with Center standards.
7. Collaborate and maintain effective working relationships with employees, community, law enforcement, judicial personnel, and the public.
8. Exhibit positive leadership skills, including the ability to work on a team, take initiative, and work independently under stressful situations.
9. Provide case management services to inmates in areas of functional assessment, service planning, referral/linkage, and monitoring/follow up services. The aim for case management services is to assist the inmate in transitioning from incarceration to outpatient services.
10. Establish and maintain transition plans for inmates to include linkage from incarceration to outpatient services. Areas of intervention focused on are access to behavioral health care, employment, education/training, and benefit acquisitions.
11. Performs other job duties as assigned.
