Sharon Murray-CO in Holyoke

Ashley Lanman-OC from Julesburg

Gina Ashmore - I just wanted to give a great big shout out to the case managers and mentors for all they've been doing for the clients. It seems that every client I have spoken to in the past few weeks with these services have been saying how great the case managers and mentors all have been. The gratitude has been wonderful - and makes life just a little bit easier for our clients during this strange time. So, thank you - in the over 20 years since I have been a therapist - this has always been the best teams I've worked with - so from the very bottom of my heart - Thank you!
