STAFF SHOUTOUT

Kudos Janet Larrick!

A recent case exemplifies Janet's dedication to her work, even over and beyond. In this case she persisted, I mean per-SISS-ted in assisting me with the patient's disability and communication

with her insurance (with my supervision). I really admire her professional persistence...as demonstrated so well in this case. Janet is a wizard and very good at what she does, a true gem!! ~ *Paul Freda, M.D.*

PREVENTION IN THE COMMUNITY

Last week Maranda Miller, Prevention Program Manager and Andie La Combe, Prevention Specialist, provided a QPR training for various staff at Haxtun Health.
