*Our mission is to achieve excellence in the provision of behavioral health services that lead to optimal health and well being*

## IT REACHING NEW "HEIGHTS"

## JANUARY ANNIVERSARIES

Last week (just one day before the 80 mph winds) IT installed new security cameras for the new parking lots in Sterling. It was a team effort with Darcy ordering, Noey configuring and Jesus installing them. The entire team did a great job getting these up and running. However, I consider the efforts by Jesus Marrufo to be quite literally "above and beyond!" He braved the lift as it was maxed out at close to 30 feet in the air in order to install the new security cameras atop the light poles. These new cameras provide excellent coverage of the

new parking areas both day and night and are enhancing the safety and security of Centennial clients and staff.
