SURVEY REQUEST FOR MEN

NAVIGATOR RESOURCES

Guys in eastern Colorado are needed to take a short online survey for a project that is exploring how people in eastern Colorado experience (or don't) loneliness, strategies to cope during tough times, and social supports.

If you know some guys (a brother, uncle, coworker, customer, teammate, friend,...) please share this request. If you are a guy, please take the survey! We just want them to be age 18-89 and live in northeast Colorado.

BLACK HISTORY MONTH

As the world moves toward a more inclusive and equitable social trajectory, there is a greater understanding that Black history should not be relegated to the month of February. However this link will share in the amplification of Black contributors to early education this month and beyond. The site has highlighted notable Black children's singers, content creators, educators, and children's book authors that everyone can rely on!
