CONGRATS TO STAFF

Bonita Deering
has obtained her
LMFT

Congratulations on your accomplishment!

WHAT'S YOUR FAVORITE GAME??

As we've all noticed, we are all spread out far and wide doing the good work for our clients and communities. However, we know that we don't get to know each other as much as we may hope to so in an effort to do that throughout 2022 we are going to virtually get to know each other!

For our SECOND **We WANT to KNOW you!** portion of the briefing:

WHAT IS YOUR FAVORITE GAME?!

This can include but is not limited to: board games, card games, pc/game consoles; etc!

You: Well, yes I sure do, Jaci! I love games! What do I do next?
Me: Email your information about your favorite game to play to jacy@centennialmhc.org, and a picture of you playing said game, if you want. If you do not have a picture, I will just include your staff photo with your information.

This will all be included in the Briefing for March 21st!!
Deadline to me: March 17th by Noon.

STAFF SHOUTOUT - ACT PROGRAM

Our ACT case manager Kayla, has been putting in the extra effort with our ACT clients. They are succeeding in their lives due to the extra dedication being provided by Kayla. Kayla is a great asset to our ACT team. Thanks for your dedication to our ACT program.

The ACT program is a program through Journey for our more chronic mental health illness clients. We have limited spots in this program and they have to be referred by their therapist and approved through the ACT team. It provides an increase in support from staff and resources.

WOMEN'S HISTORY MONTH

The Library of Congress, National Archives and Records Administration, National Endowment for the Humanities, National Gallery of Art, National Park Service, Smithsonian Institution and United States Holocaust Memorial Museum join in commemorating and encouraging the study, observance and celebration of the vital role of women in American history.
