

THE CENTENNIAL BRIEFING

CHEYENNE · ELBERT · KIT CARSON · LINCOLN · LOGAN · MORGAN · PHILLIPS · SEDGWICK · WASHINGTON · YUMA

Our mission is to achieve excellence in the provision of behavioral health services that lead to optimal health and well being

WHAT'S YOUR FAVORITE GAME??

As we've all noticed, we are all spread out far and wide doing the good work for our clients and communities. However, we know that we don't get to know each other as much as we may hope to so in an effort to do that throughout 2022 we are going to virtually get to know each other!

For our **SECOND** **We WANT to KNOW you!** portion of the briefing:

WHAT IS YOUR FAVORITE GAME?!

This can include but is not limited to: board games, card games, pc/game consoles; etc!

You: Well, yes I sure do, Jaci! I love games! What do I do next?

Me: Email your information about your favorite game to play to jacyi@centennialmhc.org, and a picture of you playing said game, if you want. If you do not have a picture, I will just include your staff photo with your information.

This will all be included in the Briefing for April 4th!!

Deadline to me: March 31st by Noon.

CULTURAL DIVERSITY BOOK CLUB

This is a wonderful opportunity to stretch our knowledge and understanding of Cultural Diversity. The next book will be "Better Allies: Everyday Actions to Create Inclusive, Engaging Workplaces 2nd Ed." by Karen Catlin.

In this book, you'll learn to spot situations where you can create a more inclusive culture, along with straightforward steps to take. The author will walk you through how to be a better ally. The group will

begin going over this book at their group meeting on April 28th at Noon.

As a disclaimer, this book group is not intended to make anyone feel uncomfortable, unwelcome, or isolated. It will be an opportunity for us to learn about DEI & B together, how we can affect positive change, ask questions in a safe and vulnerable space, and anything else that might come up in discussion. For more questions regarding the book club or future books please reach out to Andie at AndieL@CentennialMHC.org.

OUT IN THE COMMUNITY

Maranda Miller, Prevention Program Manager, and Andie La Combe, Prevention Specialist and Disaster/Trauma Coordinator, presented ASIST (Applied Suicide Intervention Skills Training) over a 2 day duration last week. The training had 21 participants and took place in Sterling. Participants included some Centennial staff members, individuals from Elbert County Public Health, Revere and Peetz school staff, and Eastern Colorado Workforce Center staff as well.

Matt Johnson, Prevention Specialist, attended the Wellness Fair in Burlington on Saturday. Matt is the newest member to join the Prevention team.
